(1) Online Application Period :

13th October, 2020(Tuesday) 09:00 to
16th October, 2020(Friday) 17:00

Each applicant can only submit ONE application form. Once the form has been submitted online, the system will arrange an interview date and time according to the order of submission and will automatically send the relevant information via the email address provided by the parents to the school. (*There is NO limit to the number of applications distributed.)

- On 19th October, 2020, the online system will send an e-mail, to remind parents to submit a hard copy of the application form along with supporting documents and relevant materials to the kindergarten directly (mail, fax or e-mail will not be accepted). Parents will receive an 'Interview Slip' on that day.

(2) Application Date :

Date: 24th October, 2020 (Saturday)
Time: 9:00am to 12:30pm

- * Please bring along the following documents in-person to the Kindergarten.
 1. E-mail Notice (print out from system)
 2. Application Form (print out from system)
 3. Applicant's birth certificate (original & photocopy)
 4. Applicant's immunization record card (original & photocopy)
 5. One(1) recent child's passport size photograph
 6. Catholic applicants please bring the applicant's Baptismal Certificate (original & photocopy)
 7. Evidence to indicate the applicant's parents or elder siblings have graduated from, or are currently studying at our Raimondi College Kindergarten Section, Raimondi College Primary Section and/or Raimondi College, e.g. report card, student card, student handbook.
 8. Registration fee: \$ 40 (cash)

**Interview Date: 14th November, 2020 or
21st November, 2020**

Parents are allowed to enter the classroom during the interview.

*Remarks: The system will arrange the interview date and time according to the order of submission. Please attend the interview at the time specified from the e-mail. Any requests for re-scheduling will not be considered. If the applicant fails to attend the interview, the application will be waived.

Teachers' Qualification

All kindergarten teachers (including principals) have completed Qualified Kindergarten Teacher. 73% of teachers hold a Bachelor's Degree in Kindergarten Education. 49% of teachers hold a valid First Aid certificate.

Educational Psychology Service

Since 1994, Catholic Diocesan Hong Kong has engaged educational psychologists to provide services to its schools and to extend its services to kindergartens from 2011 onwards to cater for the individual differences of young children and to promote the whole person development. Services include students, teacher-training and parent education.

School Characteristics

In order to promote the overall development of Raimondi College Kindergarten Section, the curriculum focuses on “child-centredness”, and to attain all-round development in the domains of spirit, ethics, intellect, physique, social skills and aesthetics. Through “Love Education and Life Education”, to promote children's understanding of God, love and service, and to cultivate children's healthy growth, exploration, good biliteracy and trilingualism, creativity and problem-solving skills.

Our students will be given priority for entry into Raimondi College Primary Section. In addition, they will be assessed on the basis of their moral character, self-care ability and language development.

We have provided a school-nurse and a school counselor to care for our children's physical and mental health.

Universal Mission

Our College shares the universal mission and the 5 Core Values: Truth, Justice, Love, Life and Family, of Catholic Schools to provide Whole Person Education based on our school motto, “In Constantia Fortitudo”(Keep practicing with perseverance). We shall guide our students to persevere in their quest for knowledge and help students build their character, develop their potential and their sense of commitment towards the community at large. It is the school's hope that all students and members of staff experience the spirit of love and understand the teachings of the Gospel both through the curriculum and school life.

School Curriculum

The curriculum is designed and implemented according to the stages, characteristics and the needs of student's physical and mental development. Learning diversification includes integration courses such as the thematic and the project-based approaches, through various teaching strategies and methods, such as environmental exploration, physical manipulation, sensory games, experience sharing, problem-solving, inquiry and other interactive learning. as a class, in groups, as individuals and other learning forms, to inspire children to think and develop their potential.

At the same time, our English teachers and Mandarin teachers will create an enriched learning environment which definitely boost student's interest in learning languages and enhance their listening and speaking skills.

School Facilities

The school has nine classrooms, a multi-function room, multi-intelligence room, Music room, Hall and large outdoor venues to provide sufficient learning space for students. There are interactive electronic whiteboards, laptops, online learning platform and audio-visual teaching materials to enhance student's learning interest and efficiency.
