School Mission

Our school shares the universal mission and the 5 Core Values: Truth, Justice, Love, Life and Family, of Catholic Schools to provide “Whole Person Education” based on our school motto, “In Constantia Fortitudo” (Keep practicing with perseverance). We shall guide our students to persevere in their quest for knowledge and help students build their character, develop their potential and their sense of commitment towards the community at large. It is the school’s hope that all students and members of staff, experience the spirit of love and understand the teachings of the Gospel both through the curriculum and school life.

School Characteristics

Our school curriculum focuses on “child-centredness”, and to attain all-round development in the domains of spirit, ethics, intellect, physique, social skills and aesthetics. Through “Love Education and Life Education”, to promote children's understanding of God, love and service. At the same time, we cultivate children's healthy growth, exploration, good biliteracy and trilingualism, creativity and problem-solving skills to enable students graduate as confident and effective learners.

School Curriculum

Our school curriculum is designed and implemented according to the stages, characteristics and the needs of student’s physical and mental development. Through religious classrooms, our students build strong moral values and attain all-round development.

Meanwhile, we create a rich learning environment, cultivate the learning attitude of children to actively explore, think, ask and create from games.

We also enhance children’s interest in language learning, listening and speaking skills, to enable them to have a smooth transition to primary schools.

School Facilities and Support Services

Our school has nine classrooms, a multi-function room, multi-intelligence room, music room, hall and large outdoor venues to provide sufficient learning space for students. We also have a school counsellor and educational psychologist to support students’ development.
